

School Education Plan and Results Report

2015-2018

Year 3

Cherishing and Challenging Every Child

MISSION: To teach students to be creative and critical problem solvers who can apply flexible thinking as they cope with challenges and change.

PHILOSOPHY: Glen Allan Elementary School staff, parents, and students are committed to a partnership supporting strong student engagement and achievement in all areas, including social, emotional, academic, physical, and creative growth.

CREDO: I will show responsibility for my own learning through cooperation and demonstrate respect for others, the environment and myself.

BELIEFS:

- Students will have a successful and engaging school experience in an environment that is safe, accepting and one that encourages students to take risks with their learning.
- Learning is an active and unique process and we nurture a learning climate that recognizes, develops and celebrates the various learning preferences of children.
- All individuals are encouraged to strive for excellence, maximizing their unique strengths and talents.
- All students are encouraged to actively participate in the life of the school and community.
- Consultation and teamwork with parents, community groups and other organizations in planning and carrying out education programs is beneficial to our staff and students and facilitates maximum growth in student learning.
- Students are actively engaged in learning and practicing strategies to be responsible problem solvers, critical and creative thinkers who demonstrate moral and ethical behaviour.
- Students set and evaluate personal learning goals throughout the school year.
- Our students and staff are committed to demonstrating responsible, respectful citizenship in all of our interactions with each other and our community at large.
- Members of our school community endorse and model lifelong learning.

SECTION ONE: School and Division Goals

School Goals:

GOAL 1: Glen Allan School will enhance student engagement and achievement by focusing on research based effective teaching practices and its implementation throughout the school. (P2-G4, P1- G3, P1-G2}

GOAL 2: Glen Allan School will enhance student's critical thinking, problem-solving skills and creativity. (P1-G2, P1-G3, P2-G4, P2-G2)

GOAL 3: Glen Allan School will maintain our positive school culture that acknowledges the academic, emotional, and social needs of students. (P2-G1, P3-G1, P3-G2)

Elk Island Public Schools Goals:

Priority 1: Promote growth and success for all students.

GOAL 1: EXCELLENT START TO LEARNING

Outcome: More children reach social, intellectual, and physical developmental milestones by Grade 1.

GOAL 2: SUCCESS FOR EVERY STUDENT

Outcome: More students achieve a minimum of one year's growth in literacy and numeracy.

Outcome: The achievement gap between First Nations, Metis, and Inuit students and all other students is reduced.

GOAL 3: SUCCESS BEYOND HIGH SCHOOL

Outcome: More students are engaged in school, achieve excellence, and are supported in their transition beyond high school.

Priority 2: Enhance high quality learning and working environments.

GOAL 1: A FOCUS ON WELLBEING INCLUDING STUDENT CITIZENSHIP AND STAFF ENGAGEMENT

Outcome: Our learning and working environments are welcoming, caring, respectful, and safe.

GOAL 2: QUALITY INFRASTRUCTURE FOR ALL

Outcome: Student learning is supported through the use of effective planning, managing, and investment in division infrastructure.

GOAL 3: BUILD CAPACITY

Outcome: All staff have the opportunity and are supported in increasing their professional and leadership capacities.

GOAL 4: A CULTURE OF EXCELLENCE AND ACCOUNTABILITY

Outcome: The division uses evidenced-based practices to improve student engagement and achievement.

Priority 3: Enhance public education through effective engagement, partnerships, and communication.

GOAL 1: PARENTS AS PARTNERS

Outcome: Student learning is supported and enhanced through parent engagement.

GOAL 2: SUPPORTS AND SERVICES FOR STUDENTS AND FAMILIES

Outcome: Community partnerships support the needs of our students.

GOAL 3: ENGAGED AND EFFECTIVE GOVERNANCE

Outcome: The division is committed to ongoing advocacy to enhance public education.

SECTION TWO: School Profile and Foundation Statements

Principal: Tracey Arbuthnott

Assistant Principal: Dustine Vicic

Counsellor: Marnie Ferguson

Glen Allan Quick Facts:

- **GLN is a large elementary school serving a current student enrolment of 450**
- **GLN students are served by 26 teachers and 15 support staff**
- **GLN opened in 1972**
- **The total school budget is 3,115,462 which includes 96% of the total budget dedicated to staffing.**

At Glen Allan, we have a strong academic focus and high learning expectations for our students and staff. A safe and caring learning environment, excellent programming, a variety of engaging learning opportunities and a dedicated staff are the cornerstones upon which we build success for the children in our care. Children are challenged through inquiry projects, buddy grade projects, whole school activities and in-class challenges, supported with modified learning goals and smaller groupings and are invited to be active, inquisitive citizens. We strive to be a vibrant community of learners – our students, staff and parents as partners. Character education, citizenship and student leadership are three cornerstones of our school.

We recently unveiled a new school symbol and slogan. *Bamboo*, a very friendly Panda, watches over the students throughout the school from its residence in the newly renovated school Learning Commons. Our school slogan, *'Cherishing and Challenging Every Child'*, focuses on our belief that we are each unique and bring special talents to share with our community.

We have developed a school-wide Student Plan focused on four areas:

Responsibility: I am responsible for my own behaviour.

Respect: I treat others, myself and property with respect.

Results: I am responsible for my own learning.

Relationships: I am engaged with my school community and have opportunities to collaborate and be an ethical citizen.

It is our goal to embed these character traits in everything we do, as we prepare our students to be actively engaged learners who consciously contribute to making their world a little better.

Our students with special needs are fully integrated in all of our inclusive classrooms with the support of the learning teams comprised of teachers, educational assistants, parents and students. Supports for success include small group and individual instructional opportunities, pre and post teaching focused on learning strategies, focused social skill instruction and alternate learning spaces in our learning commons. The social skills instruction and strategic interventions are key to the successful learning experiences for many of our students.

A privately owned before and after school care program, attached to our school building, provides quality care for a number of our students.

At Glen Allan School we value and nurture a strong 'school family' feeling. Parents and visitors are welcome and encouraged to be active participants in our learning environment. Although we have a strong academic focus at Glen Allan, we are committed to supporting all our children as they learn their roles and responsibilities growing into responsible, contributing members of our world.

Programming highlights:

Glen Allan Elementary has on average 3 classes of each grade level.

We are also a district PALS (Play and learn at School) site with am and pm classes.

SECTION THREE: School Education Results Report (2016-2017)

What were the greatest successes/challenges faced in 2016-2017?

Goal One: Glen Allan Elementary has enhanced student learning and engagement by focusing teaching on research based practices which have proven to positively impact student achievement. This has had a positive impact on our student's achievement via school assessments as well as the Provincial Achievement results. We will continue to see improvement in the provincial accountability pillar results from students, staff and parents. We have defined classroom and school procedures and have tried to create consistency for students throughout the school. We have also used cross grade collaboration such as classroom buddy activities, special events such as art, math, science days, and spring carnival; as well as, opportunities for teachers to share best practices through peer classroom observations and staff meeting sharing time. We have also been involved in and will continue to send a substantial cohort of our teachers to the Sandra Herbst professional development as her educational practices on student learning directly link to this school goal. We have utilized real world experiences such as community involvement, curriculum based field trips, cooperative learning games, and student leadership to enhance student learning and achievement.

Goal Two: Glen Allan Elementary has enhanced student critical thinking and problem solving by implementing the use of Bloom's Taxonomy and metacognition strategies in learning opportunities. We have made Bloom's Taxonomy accessible to all learners by scaffolding learning opportunities using age appropriate language and visual cues. We have linked real world experiences to the learning objectives being taught through the use of technology and inquiry based instruction. The staff have structured questions to be open ended evoking more thoughtful and higher level responses from students. Lesson delivery is focused on increasing student inquiry, pushing creativity and understanding with less of a focus on rote learning and memorization. Students are encouraged to explore various strategies, stretch their thinking skills and to explore various methods for arriving at their own individual solutions and enhancing their understanding.

Goal Three: Through the use of community and school based events such as the family dance, volunteer appreciation day, terry fox run, and community cleanup. Glen Allan Elementary has continued to build on its safe, nurturing and motivating school culture. We continue to build on our positive school atmosphere through character education and student leadership opportunities

which have a positive impact in our school. As a school community we have and will continue to implement First nNations, Metis and Inuit through Elder lunches, Project of Heart, Blanket exercises and Tipi teachings programing. We have brought awareness to our students about family differences and our lesbian gay bisexual transgender queer community. The philosophy that Glen Allan Elementary is a school of dignity and respect has been reinforced daily and this mantra has been incorporated into a variety of interactions, procedures and physical structures throughout the school.

School Council is involved in many aspects of our school. They provide regular suggestions and are very supportive of our students and staff. They have had the opportunity to provide input on the School Education Plan. The School Council and the community at large, work together to embrace these goals through collaborative activities and fundraising for worthy projects. Our budget and PAT results are discussed annually at School Council meetings. Parents are involved in discussions related to the current school activities and projects. Our School Council is also heavily involved in fundraising to support a variety of co-curricular activities that build on the student objectives in class.

How, and to what degree, did those successes/challenges impact planning for 2017-2018?

- Time seems to always be an issue and with the addition of the math intervention programing instrument and the STAR Literacy baseline measures, time to review them and plan appropriate interventions needs to be a priority
- Staff have seen the positive results with the research based practices and have moved forward with the implementation across the school
- Staff resistance to new projects due to the desire to continue with our current initiatives aligning with our school goals
- Staffing to meet student needs, budget constraints and enrolment levels are challenging
- Implementation of no split grade classes
- Continued implementation of student portfolios to map student progress throughout the year
- We are focusing on student and teachers needs via Nonviolence Crisis intervention, LGBTQ Respectful language and diversity and Sandra Herbst in-servicing throughout the year

SECTION FOUR: School Goals, Strategies and Performance Measures

School Goal 1:

Glen Allan School will enhance student engagement and achievement by focusing on research based effective teaching practices and its implementation throughout the school.

Division Outcome: (P2-G4, P1- G3, P1-G2}

Priority 1: Promote growth and success for all students.

GOAL 2: SUCCESS FOR EVERY STUDENT

Outcome: More students achieve a minimum of one year's growth in literacy and numeracy.

GOAL 3: SUCCESS BEYOND HIGH SCHOOL

Outcome: More students are engaged in school, achieve excellence, and are supported in their transition beyond high school.

Priority 2: Enhance high quality learning and working environments.

GOAL 4: A CULTURE OF EXCELLENCE AND ACCOUNTABILITY

Outcome: The division uses evidenced-based practices to improve student engagement and achievement.

Strategies:

- This goal centers on research based effective teaching practices and their implementation into classrooms and the school in general. The implementation of research supported teaching techniques as those put forth by Harry and Rosemary Wong’s book “The First Days of School, How to be an Effective Teacher” and the “Classroom Instruction that Works, Research-based strategies for increasing student achievement” published by the Association for Supervision and Curriculum Development (ASCD).
- Use a variety of technological resources (ie. Chromebooks, Google Apps for Education, LearnAlberta.ca, etc.) to assist in giving level appropriate choices to student learners
- Refining the use of Daily 5 for literacy, Daily 3 for Mathematics and CAFE Teaching methodology in all classrooms
- The use of high and clear expectations for students using visual, kinesthetic and verbal management cues
- Implement the use of professional learning communities (PLC) meetings and mentor/pair-groupings with all staff
- Implement opportunities for all educational staff to share research based, effective teaching, and best practices with each other
- English language learner level identification and program implementation
- Teach to students strengths through the use of multiple intelligences strategies
- Implementation of classroom procedures for every classroom
- Build consistent procedures throughout the school to improve transitions from classroom to classroom and year to year.
- Teacher peer classroom observations
- Teachers share best practices at staff meetings

Performance Measures:

- 5% improved overall student achievement on the STAR and MIPI in all grades and PATS in grade 6 over the next 2 years.
- Use of the STAR, MIPI and PAT’s to guide teaching practices and needs
- 5% increase in student engagement via the Alberta Accountability Pillar survey
- Common school based practices and procedures throughout the school
- Build a school culture where all staff feel comfortable actively seeking the advice and expertise of others
- 5% increase in staff/parent satisfaction performance measure on the Alberta Accountability Pillar survey
- 100% of staff will create their professional growth plan and meet with administration at the beginning, middle, and the end of the year to review and reflect on improving their individual professional practice
- Increase in the use of student self-evaluation, reflection and feedback on their academic performance
- Implementation of student portfolios to show evidence of growth throughout the year

- Every student will do a writing sample at the beginning, middle and end of the year for comparison for growth throughout the school year

School Goal 2

Glen Allan School will enhance student's critical thinking, problem-solving skills and creativity.

Division Outcome: (P1-G2, P1-G3, P2-G4, P2-G2)

Priority 1: Promote growth and success for all students.

GOAL 2: SUCCESS FOR EVERY STUDENT

Outcome: More students achieve a minimum of one year's growth in literacy and numeracy.

GOAL 3: SUCCESS BEYOND HIGH SCHOOL

Outcome: More students are engaged in school, achieve excellence, and are supported in their transition beyond high school.

Priority 2: Enhance high quality learning and working environments.

GOAL 2: QUALITY INFRASTRUCTURE FOR ALL

Outcome: Student learning is supported through the use of effective planning, managing, and investment in division infrastructure.

GOAL 4: A CULTURE OF EXCELLENCE AND ACCOUNTABILITY

Outcome: The division uses evidenced-based practices to improve student engagement and achievement.

Strategies:

- Focus on the facilitation and enhancement of student metacognition and the promotion of higher levels of processing and thought
- Focus on the implementation of Bloom's Taxonomy throughout the school with a focus on student metacognition
- Implement the use of Bloom's Taxonomy posters in all the classrooms with grade specific explanations/definitions/wording
- Implement the use of cooperative learning groups to help students practice higher level thinking strategies
- Recognize multiple intelligences in our students and use multiple lesson delivery strategies to meet those learning styles
- Continue to use of Fountas and Pinnell assessments especially for our struggling students
- Linking of STAR, Raz Kids reading levels with the Fountas and Pinnell quotients
- Implement a fall, winter and spring school writing sample for all students
- Learning inventory (multiple intelligence survey to meet the needs of each child)
- Use exemplars with students and staff for reflection and goal setting
- Implement Art, Math, Science days as school wide performance task
- Literacy sharing with the purpose of revising and building cross-curricular student assessments
- Increase in inquiry and performance based tasks throughout the school
- Co-constructing assessment criteria and self-assessment with our students (Sandra Herbst)
- Implement a variety of web-based applications and technology in classrooms and individual lessons to enhance the inquiry methods (Google classroom, Raz Kids)
- Teacher peer classroom observations
- Teacher sharing time of "best practices" built in to monthly staff meetings

- Cross grade buddy classes

Performance Measures:

- 5% increase in student achievement as seen through the STAR, MIPI and the Grade 6 PATs
- 90% of students will be able to identify levels of Bloom's Taxonomy in accordance with their thinking strategies
- Student portfolios will be used demonstrate student growth over the year
- School/classroom assessments will be adapted to incorporate higher levels of thought via Bloom's taxonomy and metacognition processes
- The school will have a common language of thought processes based on Bloom's taxonomy and metacognition processes
- Promote professional development sessions in critical thinking, reasoning, and problem solving
- Students will be able to describe what they are thinking as they are problem solving
- The students will create and share their inquiry based projects in their classrooms and/or school
- Every class will participate in co-constructing criteria and self-assessment with their students (Sandra Herbst)

School Goal 3:

Glen Allan School will maintain a positive school culture promoting the academic, emotional, and social needs of students.

Division Outcome: (P2-G1, P3-G1, P3-G2)

Priority 2: Enhance high quality learning and working environments.

GOAL 1: A FOCUS ON WELLBEING INCLUDING STUDENT CITIZENSHIP AND STAFF ENGAGEMENT

Outcome: Our learning and working environments are welcoming, caring, respectful, and safe.

Priority 3: Enhance public education through effective engagement, partnerships, and communication.

GOAL 1: PARENTS AS PARTNERS

Outcome: Student learning is supported and enhanced through parent engagement.

GOAL 2: SUPPORTS AND SERVICES FOR STUDENTS AND FAMILIES

Outcome: Community partnerships support the needs of our students.

Strategies:

- Continue to promote a liberal arts (integrated studies) approach in our school to promote well-rounded growth and development in our students
- Continue to work closely with our parent stakeholders to support and enhance our parent engagement levels
- Implement the FARR (Flourish, Active, Resiliency, and Relationships) mental health program that emphasizes the above 4 virtues
- Develop and implement a unified method of conflict resolution with a focus on restorative justice
- Classroom management focused on positive behavior procedures and expectations.
- All staff modeling a culture of dignity and respect
- Work with School Council to support and enhance our parent engagement levels

- Implementation of more FNMI projects throughout the school to promote acceptance of diversity within our student population (Project of Heart, Blanket exercises, elder lunch bunch)
- Increase use of Student Council to promote the safe and caring school atmosphere
- Provide the opportunity for staff and students to be involved in planning various leadership school activities such as: Battle of the Books, speech competition, Christmas bureau, environment club, running club, library helpers, student council, milk helper, patrollers, Christmas concert, Terry Fox Run, Read in Week, spring carnival, volunteer appreciation, Panda TV, classroom buddies
- Implement a recognition system for our students who demonstrate positive role modeling within the school, catching kids doing the right thing. Examples: panda paw pins, happy face stickers
- Encourage community involvement within the school by placing an increased focus on inviting seniors into the school and promoting special trips including visits to the senior's lodge/ Capital Heath facilities
- Continue with the school's open-door policy for parents and community members
- Continue supporting our FNMI students and build an understanding of the First Nations history for all
- Each classroom will incorporate student emotional regulation strategies eg. Zones of Regulation

Performance Measures:

- An increase in staff will incorporate a professional growth plan goal that relates to this outcome
- 5% increase in staff engagement via the Alberta Accountability Pillar Survey
- 5% increase in student engagement via the Alberta Accountability Pillar Survey
- All staff will have a better understanding of the culture and climate of the school and also feel safe in sharing ideas, and being actively engaged in the work of education
- All of staff will be seen as an active participant in building a positive school climate and culture
- Promotion of Professional Learning Communities (PLCs)
- All staff will feel comfortable in seeking guidance from other staff who may have more experience or expertise
- 5% increase in performance measure survey results with regards to parent satisfaction via the Alberta Accountability Pillar survey

SECTION FIVE: Summary of Performance Measures

Student Learning Measures

PAT Course by Course Results by Number Enrolled.
