

School Education Plan and Results Report
2018-22
Year 1

Cherishing and Challenging Every Child

MISSION: To teach students to be creative and critical problem solvers who can apply flexible thinking as they cope with challenges and change.

PHILOSOPHY: Glen Allan Elementary School staff, parents, and students are committed to a partnership supporting strong student engagement and achievement in all areas, including social, emotional, academic, physical, and creative growth.

CREDO: I will show responsibility for my own learning through cooperation and demonstrate respect for others, the environment and myself.

BELIEFS:

- Students will have a successful and engaging school experience in an environment that is safe, accepting and one that encourages students to take risks with their learning.
- Learning is an active and unique process and we nurture a learning climate that recognizes, develops and celebrates the various learning preferences of children.
- All individuals are encouraged to strive for excellence, maximizing their unique strengths and talents.
- All students are encouraged to actively participate in the life of the school and community.
- Consultation and teamwork with parents, community groups and other organizations in planning and carrying out education programs is beneficial to our staff and students and facilitates maximum growth in student learning.
- Students are actively engaged in learning and practicing strategies to be responsible problem solvers, critical and creative thinkers who demonstrate moral and ethical behaviour.
- Students set and evaluate personal learning goals throughout the school year.
- Our students and staff are committed to demonstrating responsible, respectful citizenship in all of our interactions with each other and our community at large.
- Members of our school community endorse and model lifelong learning.

SECTION ONE: School and Division Goals

School Goals:

GOAL 1: Glen Allan School will enhance student engagement and achievement by focusing on research based effective teaching practices and its implementation throughout the school. (P2-G4, P1- G3, P1-G2}

GOAL 2: Glen Allan School will enhance student’s critical thinking, problem-solving skills and creativity. (P1-G2, P1-G3, P2-G4, P2-G2)

GOAL 3: Glen Allan School will maintain our positive school culture that acknowledges the academic, emotional, and social needs of students. (P2-G1, P3-G1, P3-G2)

Elk Island Public Schools Goals:

Priority 1: Promote growth and success for all students.

GOAL 1: EXCELLENT START TO LEARNING

Outcome: More children reach social, intellectual, and physical developmental milestones by Grade 1.

GOAL 2: SUCCESS FOR EVERY STUDENT

Outcome: More students achieve a minimum of one year’s growth in literacy and numeracy.

Outcome: The achievement gap between First Nations, Métis, and Inuit students and all other students is reduced.

GOAL 3: SUCCESS BEYOND HIGH SCHOOL

Outcome: More students are engaged in school, achieve excellence, and are supported in their transition beyond high school.

Priority 2: Enhance high quality learning and working environments.

GOAL 1: A FOCUS ON WELLBEING INCLUDING STUDENT CITIZENSHIP AND STAFF ENGAGEMENT

Outcome: Our learning and working environments are welcoming, caring, respectful, and safe.

GOAL 2: QUALITY INFRASTRUCTURE FOR ALL

Outcome: Student learning is supported through the use of effective planning, managing, and investment in division infrastructure.

GOAL 3: BUILD CAPACITY

Outcome: All staff have the opportunity and are supported in increasing their professional and leadership capacities.

GOAL 4: A CULTURE OF EXCELLENCE AND ACCOUNTABILITY

Outcome: The division uses evidenced-based practices to improve student engagement and achievement.

Priority 3: Enhance public education through effective engagement, partnerships, and communication.

GOAL 1: PARENTS AS PARTNERS

Outcome: Student learning is supported and enhanced through parent engagement.

GOAL 2: SUPPORTS AND SERVICES FOR STUDENTS AND FAMILIES

Outcome: Community partnerships support the needs of our students.

GOAL 3: ENGAGED AND EFFECTIVE GOVERNANCE

Outcome: The division is committed to ongoing advocacy to enhance public education.

SECTION TWO: School Profile and Foundation Statements

Principal: Tracey Arbuthnott

Assistant Principal: Dustine Vicic

Counsellor: Marnie Ferguson

Glen Allan (GLN) Quick Facts:

- **GLN is a large elementary school serving a current student enrolment of 400**
- **GLN students are served by 22 teachers and 13 support staff**
- **GLN opened in 1972**
- **The total school budget is \$2.6 million, 97% is dedicated to staffing.**

At Glen Allan, we have a strong academic focus and high learning expectations for our students and staff. A safe and caring learning environment, excellent programming, a variety of engaging learning opportunities and a dedicated staff are the cornerstones upon which we build success for the children in our care. Children are challenged through inquiry projects, buddy grade projects, whole school activities and in-class challenges, supported with modified learning goals and smaller groupings and are invited to be active, inquisitive citizens. We strive to be a vibrant community of learners – our students, staff and parents as partners. Character education, citizenship and student leadership are three cornerstones of our school.

A very friendly Panda named *Bamboo is our school mascot, and* watches over the students throughout the school from its residence in our renovated school Learning Commons. Our school slogan, '*Cherishing and Challenging Every Child*', focuses on our belief that we are each unique and bring special talents to share with our community.

We have developed a school-wide Student Behaviour Plan focused on four areas:

Responsibility: I am responsible for my own behaviour.

Respect: I treat others, myself and property with respect.

Results: I am responsible for my own learning.

Relationships: I am engaged with my school community and have opportunities to collaborate and be an ethical citizen.

It is our goal to embed these character traits in everything we do, as we prepare our students to be actively engaged learners who consciously contribute to making their world a little better.

Our students with special needs are fully integrated in all of our inclusive classrooms with the support of the learning teams comprised of teachers, educational assistants, parents and students. Supports for success include small group and individual instructional opportunities, pre and post teaching focused on learning strategies, focused social skill instruction and alternate learning spaces in our learning commons. The social skills instruction and strategic interventions are key to the successful learning experiences for many of our students.

A privately owned before and after school care program, attached to our school building, provides quality care for a number of our students.

At Glen Allan School we value and nurture a strong 'school family' feeling. Parents and visitors are welcome and encouraged to be active participants in our learning environment. Although we have a strong academic focus at Glen Allan, we are committed to supporting all our children as they learn their roles and responsibilities growing into responsible, contributing members of our world.

Programming highlights:

Glen Allan Elementary has 2 to 3 classes of each grade level and we offer programming from kindergarten to Grade 6.

SECTION THREE: School Education Results Report (2017-2018)

What were the greatest successes/challenges faced in 2017-2018?

Goal One: Glen Allan Elementary has enhanced student learning by focusing on research based teaching practices. This has had a positive impact on our student's achievement via multiple school assessments as well as the Provincial Achievement results. We will continue to maintain our high level of achievement and improvement in the provincial accountability pillar results from students, staff and parents. We have defined classroom and school consistent procedures to create consistency for students throughout the school. We have also used cross grade collaboration such as classroom buddy activities, special events such as art, math, science days, and spring carnival; as well as, opportunities for teachers to share best practices through peer classroom observations and staff meeting peer sharing time. We have been involved in and will continue the Sandra Herbst professional development as her educational practices on student learning directly link to this goal. We have utilized real world experiences such as community involvement, curriculum based field trips, cooperative learning games, and student leadership to enhance student learning and achievement.

Goal Two: Glen Allan Elementary has enhanced student critical thinking and problem solving by implementing the use of Bloom's Taxonomy and metacognition strategies in every classroom. We have made Bloom's Taxonomy accessible to all learners by scaffolding learning opportunities and by focusing on age appropriate language and visual cues. We have linked real world experiences to the learning objectives being taught through the use of technology and inquiry based instruction. The staff have structured questions to be open ended evoking more thoughtful and higher level responses from students. Lesson delivery is focused on increasing student inquiry, critical thought. Students are encouraged to stretch their thinking skills, explore various strategies and generate individual solutions to enhance their understanding.

Goal Three: Glen Allan Elementary has continued to build on its safe, nurturing and motivating school culture through the use of community and school based events such as the family dance, volunteer appreciation day, Terry Fox run, and community cleanup. We continue to build on our positive school atmosphere through character education and student leadership opportunities. As a school community, we have and will continue to implement First Nations, Métis and Inuit culture through Elder visits, Blanket exercises, Tipi teachings and the Seven Sacred Teachings programming. We have brought awareness to our students about family differences and understanding diversity via (LGBTQ) Lesbian, Gay, Bisexual, Transgender, Queer community. We were able to bring in Alt View for respectful language around LGBTQ in-servicing for staff. We were

also able to bring in Briar Patch in to talk to our staff about dealing with bereavement and the grieving process. We have in-serviced the entire staff in (NVCS) Non-Violent crisis intervention due to the high level of needs within our building. We have focused on cyber safety not only in classrooms lessons but also through Saffron presentations for our grades 5 and 6. The philosophy that Glen Allan Elementary is a school of dignity and respect continues to be reinforced daily not only in the mantra repeated on our announcements but also has been incorporated into a variety of interactions, procedures and physical structures throughout the school.

School Council is involved in many aspects of our school. They provide regular suggestions and are very supportive of our students and staff. They have had the opportunity to provide input on the School Education Plan. The School Council and the community at large, work together to embrace these goals through collaborative activities and fundraising for worthy projects. Our budget and PAT results are discussed annually at School Council meetings. Parents are involved in discussions related to the current school activities and projects. Our School Council is also heavily involved in fundraising to support a variety of co-curricular activities that build on the student objectives in class.

How, and to what degree, did those successes/challenges impact planning for 2018-2019?

- In so many ways this has been a challenging but also an amazing and successful year of growth and learning
- Time seems to be an issue whether it is embedding Professional Development throughout the year and finding time to review assessments as a school community.
- Staff have seen the positive student results through the use of research based practices and are continuing to move forward with further implementation in classrooms and throughout the school
- Staff have seen an increase in students' critical thinking, questioning and cognitive strategies through the continued implementation of Blooms Taxonomy and metacognition instruction within the classrooms
- Staffing to meet student needs, budget constraints and enrolment levels are always challenging
- Implementation of no split grade classes
- Continued implementation of student portfolios to map student progress throughout the year
- We have focused on student and teachers needs via Nonviolence Crisis intervention, LGBTQ Respectful language and diversity, dealing with bereavement and grieving process and Sandra Herbst in-servicing throughout the year

SECTION FOUR: School Goals, Strategies and Performance Measures

School Goal 1:

Glen Allan School will enhance student engagement and achievement by focusing on research based effective teaching practices and its implementation throughout the school.

Division Outcome: (P2-G4, P1- G3, P1-G2)

Priority 1: Promote growth and success for all students.

GOAL 2: SUCCESS FOR EVERY STUDENT

Outcome: More students achieve a minimum of one year's growth in literacy and numeracy.

GOAL 3: SUCCESS BEYOND HIGH SCHOOL

Outcome: More students are engaged in school, achieve excellence, and are supported in their transition beyond high school.

Priority 2: Enhance high quality learning and working environments.**GOAL 4: A CULTURE OF EXCELLENCE AND ACCOUNTABILITY**

Outcome: The division uses evidenced-based practices to improve student engagement and achievement.

Strategies:

- This goal centers on research based effective teaching practices and their implementation into classrooms and throughout the school. We are continuing with our implementation from the educational research of Marzano, Wong, and Hattie as well as building this goal forward via publications as “The Innovator’s Mindset” by George Couros, “Results The Key to Continuous School Improvement” by Schmoker, “What Great Teachers Do Differently” by Whitaker and “The Highly Effective Teacher” by Marshall.
- We are a data driven school using the STAR reading assessment, Math Intervention Programming Instrument (MIPI), Provincial Achievement Tests (PAT) measures as well as teacher experience, insights and professional judgment to drive and guide our educational practices to meet the needs of our students
- We will be working with our feeder group schools examining George Couros work “The Innovator’s Mindset” and following that up with a professional learning day lead by George Couros this year.
- Staff training on and Implementation of Leveled Literacy Intervention kits throughout the school
- Increase use of our literacy consultant throughout our building in group and individual mentoring educational settings.
- Use of literacy decoding and reading comprehension strategies cards will be incorporated into all of our classrooms throughout the school.
- Continue the conversations and implementation of the Sandra Herbst initiatives. For example, co-construction of criteria, differentiation of instruction, Mediative Questioning etc.
- Use a variety of technological resources (i.e. Chromebooks, Google Apps for Education, Google Classroom, LearnAlberta.ca, etc.) to assist in giving level appropriate choices and differentiation to our student learners
- Refining the use of Daily 5 for literacy, Daily 3 for Mathematics and Comprehension, Accuracy, Fluency, and Expand Vocabulary (CAFE) Teaching methodology in all classrooms
- The use of high and clear expectations for students using visual, kinesthetic and verbal management cues
- Implement the use of professional learning community (PLC) meetings and mentor/pair-groupings with all staff
- Implement opportunities for all educational staff to share research based, effective teaching, and best practices with each other at staff meetings and during grade group collaboration.
- Focus on an asset based approach to empower our students’ learning and teach to students’ strengths through the use of multiple intelligences strategies and learning/teaching styles
- Build consistent procedures throughout the school to improve transitions from classroom to classroom and year to year.

- Offer opportunities for educators to participate in peer to peer classroom observations throughout the school and within our feeder group of schools.
- Implement the use of the division new writing continuum throughout all of our classes.

Performance Measures:

- 5% improved overall student achievement on the STAR and MIPI in all grades and PATS in Grade 6 over the next 2 years.
- Use the STAR, MIPI and PAT's results to guide teaching practices and needs of our students
- 5% increase in student engagement via the Alberta Accountability Pillar survey
- Common school based practices and procedures throughout the school. For example, hallway behavior, classroom sign out, etc.
- Build a school culture where all staff feel comfortable actively seeking the advice and expertise of others
- 3% increase in staff/parent satisfaction performance measure on the Alberta Accountability Pillar survey
- 100% of staff will create their professional growth plan and meet with administration at the beginning, middle, and the end of the year to review and reflect on improving their individual professional practice
- Increase in the use of student self-evaluation, reflection and feedback on their academic performance
- Implementation of student portfolios to show evidence of growth throughout the year
- Every student will do a writing sample at the beginning, middle and end of the year for comparison for growth throughout the school year

School Goal 2

Glen Allan School will enhance student's critical thinking, problem-solving skills and creativity.

Division Outcome: (P1-G2, P1-G3, P2-G4, P2-G2)

Priority 1: Promote growth and success for all students.

GOAL 2: SUCCESS FOR EVERY STUDENT

Outcome: More students achieve a minimum of one year's growth in literacy and numeracy.

GOAL 3: SUCCESS BEYOND HIGH SCHOOL

Outcome: More students are engaged in school, achieve excellence, and are supported in their transition beyond high school.

Priority 2: Enhance high quality learning and working environments.

GOAL 2: QUALITY INFRASTRUCTURE FOR ALL

Outcome: Student learning is supported through the use of effective planning, managing, and investment in division infrastructure.

GOAL 4: A CULTURE OF EXCELLENCE AND ACCOUNTABILITY

Outcome: The division uses evidenced-based practices to improve student engagement and achievement.

Strategies:

- Focus on the facilitation and enhancement of student metacognition and the promotion of higher levels of processing and thought. Thinking about how they are thinking.

- Implement the use of Bloom's Taxonomy displayed in all the classrooms with grade specific explanations/definitions/wording.
- Uses cooperative learning groups and buddy class configurations to help students practice higher level thinking strategies with peers.
- Recognize multiple intelligences in our students and use multiple teaching strategies to meet the needs of multiple learning styles.
- Continue to use of Fountas and Pinnell assessments for our struggling students
- Linking of the STAR, Raz Kids reading levels with the Fountas and Pinnell quotients
- Implement a fall, winter and spring school writing sample for all students
- Enact the use of Leveled Literacy Intervention kits throughout the school
- Implementation of the Elk Island Public Schools (EIPS) writing continuum to seek leveling of our student's writing and show improvement over time.
- Learning inventory (multiple intelligence survey to meet the needs of each child)
- Use of rubrics and exemplars throughout the development of our student's assignments and expectations.
- Implement Art, Math, Science days as school wide performance task
- Educator literacy sharing and cohort building with the purpose of revising and building cross-curricular student assessments
- Increase in inquiry and performance based tasks throughout the school
- Co-constructing assessment criteria and self-assessment with our students (Sandra Herbst)
- Implement a variety of web-based applications and technology in classrooms and individual lessons to enhance the inquiry methods (Google Apps for education, Google classroom, Raz Kids)

Performance Measures:

- 5% increase in student achievement as seen through the STAR, MIPI and the Grade 6 PATs
- 90% of students will be able to identify levels of Bloom's Taxonomy in accordance with their thinking strategies
- Student portfolios will be used demonstrate student growth throughout the year
- School/classroom assessments will be adapted to incorporate higher levels of thought via Bloom's taxonomy and metacognition processes
- The school will have a common language of thought processes based on Bloom's taxonomy and metacognition processes
- Promote professional development sessions in critical thinking, reasoning, and problem solving.
- Students will be able to use metacognition strategies to verbalize their thinking skills as they are solving problems.
- The students will create and share their inquiry based projects in their classrooms and/or school
- Every class will participate in co-constructing criteria and self-assessment with their students (Sandra Herbst)

School Goal 3:

Glen Allan School will maintain a positive school culture promoting the academic, emotional, and social needs of students.

Division Outcome: (P2-G1, P3-G1, P3-G2)

Priority 2: Enhance high quality learning and working environments.

GOAL 1: A FOCUS ON WELLBEING INCLUDING STUDENT CITIZENSHIP AND STAFF ENGAGEMENT

Outcome: Our learning and working environments are welcoming, caring, respectful, and safe.

Priority 3: Enhance public education through effective engagement, partnerships, and communication.

GOAL 1: PARENTS AS PARTNERS

Outcome: Student learning is supported and enhanced through parent engagement.

GOAL 2: SUPPORTS AND SERVICES FOR STUDENTS AND FAMILIES

Outcome: Community partnerships support the needs of our students.

Strategies:

- Continue to promote a liberal arts (integrated studies) approach in our school to promote well-rounded growth and development in our students
- Continue to work closely with our parent stakeholders to support and enhance our parent engagement levels
- Develop and implement a unified method of conflict resolution with a focus on restorative justice
- Classroom management focused on positive behavior procedures and expectations.
- All staff modeling a culture of mutual dignity and respect
- Work with School Council to support and enhance our parent engagement levels
- Implementation of in-depth multi prong approach to our First Nations, Métis and Inuit integration throughout the school to promote cultural exposure and acceptances of diversity within our student population (Blanket exercises, Elder Wilson visits, in class lessons with First Nations, Métis and Inuit topic, incorporation of the First Nations, Métis and Inuit sacred teachings into our character education Including: seven sacred teachings and the 13 tipi teachings.
- Increase use of Student Council to promote the safe and caring school atmosphere.
- Provide the opportunity for staff and students to be involved in planning various leadership school activities such as: Battle of the Books, speech competition, Christmas bureau, environment club, running club, library helpers, student council, milk helper, patrollers, Christmas concert, Terry Fox Run, Read in Week, spring carnival, volunteer appreciation, classroom buddies
- Implement a recognition system for our students who demonstrate positive role modeling within the school, catching kids doing the right thing. Examples: panda paw pins, happy face stickers
- Encourage community involvement within the school by placing an increased focus on inviting Community members into the school and promoting special trips and visits to and from the senior's lodge/ Capital Heath facilities/ Drug Abuse Resistance Education (DARE)/ Saffron/ Altview organizations.
- Continue with the school's open-door policy for parents and community members
- Continue supporting our First Nations, Métis and Inuit students and build an understanding of the First Nations history for all our students
- Each classroom will incorporate student emotional regulation strategies. For example Zones of Regulation

- Continue to build resources to promote diversity and acceptance throughout our school

Performance Measures:

- An increased number of staff will incorporate a professional growth plan goal that relates to this outcome
- 2% increase in staff engagement via the Alberta Accountability Pillar survey
- 2% increase in student engagement via the Alberta Accountability Pillar survey
- All staff will have a better understanding of the culture and climate of the school and also feel safe in sharing ideas, and being actively engaged in the work of education
- All of staff will be seen as an active participant in building a positive school climate and culture
- Promotion of Professional Learning Communities (PLCs)
- All staff will feel comfortable in seeking guidance from other staff who may have more experience or expertise
- 2% increase in performance measure survey results with regards to parent satisfaction via the Alberta Accountability Pillar survey

SECTION FIVE: Summary of Performance Measures

Student Learning Measures

PAT Course by Course Results by Number Enrolled.													
		Results (in percentages)										Target

Communication of Plan:

Our school community be that parents, teachers, or other stakeholders are involved in many aspects of our school. Through monthly newsletters, parent surveys and regular meetings with our parent council, parents are able to provide regular feedback, suggestions and are incredibly supportive of our students and the school. We work in partnership with our parents and the community at large through collaborative activities and fundraising for worthy projects. Our school budget, student and school results are discussed annually at school council meetings. Parents are involved in discussions related to the current school activities and ongoing initiatives. Our School Council is also heavily involved in fundraising to support a variety of co-curricular activities that build on the student curricular objectives. A sense of shared responsibility and cooperation among our parents, students and staff contribute to the successful, positive and inviting educational setting we have at Glen Allan Elementary School.
